About the **DENTON FIRE DEPARTMENT ANNUAL AWARDS BANQUET**

Denton Fire Department's 2026 Annual Awards Banquet will be February 19th, 2027. Importantly, this commemoration is entirely sustained by the generous support of sponsors, as it remains independent of taxpayer funds. The received sponsorship funds will contribute to the rental of a fitting venue and the engagement of a distinguished guest speaker. While attendees and their guests cover their own meal expenses, your sponsorship extends beyond finances. It contributes to the very spirit of this inspiring event, and creates an atmosphere of camaraderie and unity, uplifting morale, and providing a collective platform to express pride in one's career, the department, and an unwavering dedication to service and community. This celebration cannot be funded using tax dollars. With our growing department each year (200+ Firefighters) our costs are growing as well!

About **DENTON FIRE TRADITIONS**

Denton Fire Traditions stands as a distinguished 501(c)(3) non-profit organization, founded in 2016 by dedicated members of the Denton Fire Department. This organization's inception was spurred by the noble purpose of annually presenting accolades and a celebratory dinner upon Denton Fire/Rescue personnel. This elaborate celebration serves as a testament to remarkable achievements that transcend the ordinary, recognizing actions that embody a spirit that goes beyond the call of duty.

About **CITY OF DENTON FIRE DEPARTMENT**

Since 1874, the Denton Fire Department has responded to fires and provided suppression in the Denton area. We have 200+ Firefighter/Paramedics and growing every year. Today, the Denton Fire Department provides an all-hazards approach model that includes response to fires, emergency medical services (EMS), hazardous materials response, and technical rescues. In 2025 alone, DFD responded to over 24,000+ calls.

Our dedicated team is focused on promoting and protecting the health and safety of the Denton community. Our success is shaped by a diverse team specializing in fire prevention, fire and life safety education, advanced training, emergency response, and disaster preparedness.
